

IMPORTANT NOTICE!!

HOLLAND TOWNSHIP SCHOOL

Dear Parents/Guardians and Staff Members:

The following procedure is in place when the weather necessitates the closing or delayed opening of school:

1. Please listen to the radio or the announcement section of the school telephone system for all the needed information. Their announcements will be made between 5:30 and 7:00 a.m. The announcement will state that the "Delaware Valley Regional elementary and secondary schools in Hunterdon County, NJ" (which includes Holland Township School) will be either closed for the day or have a delayed opening (1 ½ hours).

Continue listening to the radio until 7:30 a.m. especially WPST (94.5 F.M.), WZZO (95.1 FM), WCTO (96.1 FM), WODE (99.9 FM), WLEV (100.7 FM), New Jersey (101.5 FM), B104.1 (FM), WAEB (790 AM), WCHR (1040 AM), WBUD (1260 AM), WHWH (1350 AM), WEST (1400 AM), or tune in to TV Station Channel 69. There may be a special situation in which Holland Township School may be the only school closing or have a late opening on any given day (unique hazardous road conditions, bus, or heat related problems, etc.) This later announcement will then only state that "Holland Township Elementary School will be closed or have a delayed opening."

This information will also be posted on our district website (<https://www.k12.nj.us>) for your convenience.

2. K-8 student pick up times will be delayed by 1 ½ hours. ***Parents are asked to calculate the bus pick-up time for their children accordingly. All classes Preschool-8 will have school on delayed opening days.**
3. All teachers will be expected to report to school by 9:45 a.m.
4. All aides and clerks will be expected to report to school by 9:50 a.m.
5. The school day for Holland Township Elementary School will begin at 9:56 a.m.
6. The school day for Holland Township Middle School will begin at 10:41 a.m.
7. If a decision had been made for a delayed school opening and the weather subsequently dictates that the school close for the day, a second call to close for the day will be made by 7:30 a.m. Radio stations will be making that announcement between 7:30 – 8:30 a.m.

IMPORTANT NOTICE

SYSTEM FOR IMPORTANT NOTIFICATIONS

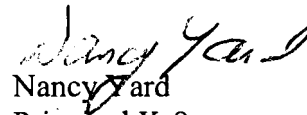

Our district will use a new technology called Honeywell Instant Alert. This system will be used to notify you of important school events such as weather related closings, emergency closings, field trips that are running late, and reminders about special events. We hope this system will enhance our efforts to contact you during aforementioned types of events. Please list on your "emergency information card" at least one emergency contact in our area who can be responsible for your child(ren) in the event of an emergency closing and you are not in the area. Honeywell Instant Alert will contact your family via various communications.

If you have any questions, please feel free to call the school at 995-2401.

Sincerely,

Eugene Costa, EdD
Superintendent

Nancy Yard
Principal K-8
