

## **Harassment, Intimidation & Bullying**

Each year, the NJDOE releases the **HIB Grade Report** which delineates whether the district is meeting the requirements of the Anti-bullying Bill of Rights (ABR) Act of 2010. The most recent report provides information for the 2017/18 school year. In 2017/18 the district received 73 out of 78 points which means the school is implementing the ABR Act with integrity.

If you believe a HTS student is the victim of harassment, intimidation, or bullying please submit a **HIB Incident Report** to the building principal immediately. The following district personnel can assist you with questions/concerns regarding HIB.
