September 3, 2020

Dear Parents and Guardians:

Wow! What a week. We did it, our students entered our doors - whether in person or remotely and school began again. It truly was a wonderful event for the administration, staff, students and parents. Thank you to everyone. There is a new energy in the building, although school looks a little different, we are all so glad to be back.

I have a few reminders for our in person families as we head into the Labor Day weekend:

1. If you are dropping off your child in the AM, please have the children exit from the passenger side of your vehicle.
2. Complete the health screener each morning prior to your child/children's arrival at school.
3. Face masks that fit snugly around the nose and chin are to be used. Bandanas or Gator type masks are not allowed.
4. Remember that we are trying to limit the amount paper notes used. Please email notesforschool@hollandschool.org for any correspondence.

For our remote families:

1. Thank you for your patience as we dive into this new territory. We are tweaking audio issues, and ensuring that all of you have equally opportunity to participate in our online learning experiences.
2. If you have Chromebook or internet issues please contact tech@hollandschool.org.

Thank you everyone for your flexibility, patience and willingness to work with our administration and staff to make this week successful for all. Enjoy the long weekend.

Sincerely,

A handwritten signature in blue ink that reads "Stephanie Snyder". The signature is written in a cursive, flowing style.

Stephanie Snyder
Superintendent
