

# INTRODUCING...

**Where Every Kid Belongs on the Field!**

**We're incredibly proud to launch Scruffy's Squad, an abilities program designed specifically for children of all abilities who want to experience the joy of football or cheer in a safe, welcoming, and supportive environment.**

**Open to kids from Pre-K to 8th grade, Scruffy's Squad is more than just a program — it's a community where every child gets to feel the thrill of teamwork, the warmth of belonging, and the pride of wearing their team colors.**

**No cost to join — all you need is a Scruffy's Squad t-shirt, which serves as your child's uniform (\$15).**

**There's no pressure to join our fantasy football fundraiser, but if you're able, we invite you to consider adding that package at checkout to help support inclusive programs like this one. Let's celebrate every child's ability to shine — on and off the field.**

**Registration is open now.**

**Join the Squad. Feel the joy. Be part of something special.**
