

Holland Township PTO Wants Your Summer Box Tops!

We hope you've been diligently clipping your Box Tops for Education throughout the summer months! Our Summer Box Tops Contest is currently underway and the class that collects the most Box Tops over the summer will win an ice cream party!

Continue searching your pantries and household items for the Box Tops symbol found on many of your everyday items.

Submit your saved Box Tops to your child's classroom by **Friday, October 5th** in the Ziploc bag sent home with your child at the end of the school year! Make sure to fill out the paper with Name of Child, Grade and Teacher.

Lost yours? No problem! Send them in any baggie with the above information.

Good Luck and remember - 10 cents a box top really adds up and has helped our school earn over **\$21,000** over the years!
